

Wilderness Safety Leader

Provider: LTR Training Systems, Inc.

Length: 40 Hours

Website

<https://www.survivaltraining.com/>

While the program instructs the use of firearms for defense, the major emphasis of the program is protecting humans from wildlife in a manner that results in no harm to the wildlife. Training includes strategies for responding to wildlife encounters including potential maulings, medical interdictions for trauma, navigating difficult terrain, and the overall well-being of clients on the job.
